3. Participation

The Top 4 players/teams of each game have to confirm their participation in the finals via e-mail until 5th November 2008, 23:59 CET. Mail your real name and your nickname to the GSL head admin:

lajos.rakow@game-tv.com

If a player/team does not confirm his/its participation, or if he/it does not want to participate, he/it will lose his right to participate. In this case the head administration of the GSL will nominate the player on place 5 in the standings. If he/it does not want to participate in the finals, there will be one more nomination (place 6 in the standings). In both cases the player/team has to confirm his/its participation until the 12th November 2008, 23:59 CET via e-mail to the GSL lead admin: lajos.rakow@game-tv.com. If none of these players/teams want to play the finals, the slot remains free and there will be no prize money for that slot.
